

ATTENTION ALL NJFCA MEMBERS:

The NJFCA is proud to introduce one of our Partners to help Coaches safely open up this year...

Helmet & Pad Disinfectants by MATGUARD.

Trusted by over 5000 teams since 2007! Helmet & Pad Disinfectants *by MATGUARD* is America's #1 sports disinfectant product.

Their Covid-19 specialists are available to help assist you with a disinfectant plan and products to help protect you and your team this season.

"We can show administrators and officials that addressing Covid19 concerns is our most important mission! The goal is to get started now and get this done right!" Rick Mantz, Football Liaison

All products are available now, so don't wait
